LOCO 4 MOTOS TRAINING PACKAGES: STAGE 2

STAGE 2 SAND TRAINING is with both road book and GPS, the full package, in which the riders will bring to bear their newly developed skills, comfort level and abilities in the sand gained in STAGE 1, allowing them to navigate at the same time as tackling the dunes and typical pistes of Morocco.

Loco 4 Motos Maroc have extensive road books for both Merzouga and Cheggaga dunes from previous rallyes, however we are currently favouring Merzouga as the best place to train, due to convenience and variation of terrain.
FROM 2'100- 2'714 euros for five days rider training.
